

# Heart to Heart

## A Special ASL Workshop Series

### **Conversations with Your Teens**

This session empowers families to learn the signs to talk to their children about health, hygiene, and their changing bodies. Please remember that this is an ASL workshop, not a counseling session. We will teach signs for the vocabulary and practice dialogues, but we will not provide suggestions or advice on how, when, or what to say. Participants must be 18+. Instructor: Galinda Goss-Kuehn
