

Aloha Welcome to 808 Deaf News

On April 15th SeaLife Park is opening their park to the Deaf Community in recognition of National ASL Day. This celebration is open to all Deaf and Hard of Hearing individuals from 10am to 2pm. Free admission for anyone who is Deaf or hard of hearing. If there are hearing individuals who want to attend, they will need to preregister with the CSC. When you preregister you will receive reduced entrance rates and reduced parking rate. Take advantage of this offer and register online. When you preregister you will be apart of the entertainment. There will be story time in ASL, an interpreted program along with other events, from 10 to 2. What an exciting event. Hope to see you all there.

808 Deaf News viewers have been watching and hearing about the different events that have happened. Since 808 aired I have picked different local news articles from HNN, Hawaii News Now. These articles can be about safety issues, traffic problems, Covid, as well as other things you need to know, with ASL accessibility. I have also pick cute good feel stories such as a monk seal pup being born etc. Also when someone lets me know about a Deaf event in the community I have shared that with you as well. I am asking you to share with me what you would like to see more of. Is your preference that I focus more on Deaf community news only or continue to share local news? What are you thoughts? What do you want with ASL accessibility news? Please let me know. Thank you
