

# SIGNING BUDDIES

Share videos in ASL  
with other Deaf kids.

The CSC is thrilled to announce its latest initiative – Signing Buddies, designed for Deaf children who use ASL throughout Hawaii. Using the Flip platform, we'll present engaging topics for participants to respond to in ASL, creating a safe and welcoming space where members can interact and support one another.

This group is open to deaf, hard of hearing or deaf-blind children aged 5-17, as well as KODAs. Parents and teachers are welcome to observe, but please do not post. Let's leave this space for the kids.

To participate, a responsible adult must register and create a free Flip account. To register, please visit [www.csc-hawaii.org](http://www.csc-hawaii.org).
