

15 Principles for Reading to Deaf Children in ASL

A FREE Training for Parents and Professionals

Saturday, January 6, 2024

9am - 12 pm on Zoom

Join us to learn the read aloud strategies used by deaf adults that lead to increased academic achievement, reading and writing, and social development (Ewoldt, Hoffmeister, & Israelite, 1992). Taught by Christine Holmes, Galinda K. Goss-Kuehn, and Rosalind Kia in ASL with voice interpreters.
